CLEANING CO.

FABRIC REFRESHER

PERMANENTLY REMOVES UNPLEASANT
ODOURS ON FABRIC OR IN THE AIR

BIODEGRADABLE + NO VOC'S COMPLETELY + ELIMINATES ODOURS

Domestic Divas Cleaning Co. Fabric Refresher is a highly effective, environmentally safe permanent odour eliminator. It uses state of the art technology to rapidly bind and destroy unpleasant odour molecules, rather than simply masking bad odours with perfume. Fabric Refresher eliminates unwanted odours such as fish, sulfur, smoke, ammonia, onion, garlic etc. Once Terminator absorbs an odour it will not be released again, as a permanent binding of the odour molecule takes place.
